MY NEEDS NETWORK

www.mynetwork.org

Join Us at My Needs Network

Claim Your Free Membership Now

Imagine a place where people with disabilities, families, and organizations all connect in one powerful network – sharing resources, offering support, and building a stronger community together. That's exactly what **My Needs Network** was created to do.

This isn't just a platform – it's an open invitation to be part of a movement that's redefining how we share resources and support in the disability space.

If you're an individual or family member: Find resources and connect with others; Share your story, events, or needs; Post supplies, equipment, or services to give or trade.

If you're an organization: Showcase what you offer with your own listing; Post events, blogs and updates; Access "white label" tools to expand your reach.
